Dear Students and Parents:

We are pleased to welcome Mrs. Liza Winter who will be serving as your Acting Principal at Huddleston Elementary School until Mrs. Aprille Monroe returns. Mrs. Winter served as a teacher at Bedford Elementary School and Bedford Middle School for a combined 18 years. She then became the assistant principal at Bedford Elementary in 2007 and later served as the principal there from 2009 until her retirement in 2015.

Since Mrs. Winter's retirement, she has filled in for principals throughout the division when needed, most recently serving as an Acting Principal at Stewartsville Elementary School and Staunton River Middle School.

Mrs. Winter is looking forward to serving the students, parents, and staff of Huddleston Elementary School.
